MEMORANDUM FOR: Director, Office of Special Activities

SUBJECT : Final Audit of the Office of Special Activities

1. In accordance with our discussion on 30 August 1974 we are scheduling our termination audit of OSA. Primary emphasis during the audit will be on the disposition of assets with adherence to regulations and established procedures in effecting an orderly dissolution. A final report will be issued after the closing is completed which you indicated is expected to be about 31 December 1974. If necessary to bring problem areas to your immediate attention interim reports or memorandums will be issued.
